#### TEAM RULES:

- **AVOID THE FANS!!!** You may have seen the fans with cages around them hanging above the pool, do not throw the balls anywhere near the fans!!!
- **Tournaments:** We have three CWPA tournaments during the fall semester which are our main competitive tournaments throughout the fall. Due to space limitations on the team for these tournaments, in addition to limits with the amount of people we can transport, the officers will select the teams for these tournaments. During the spring semester, we will enter at least two tournaments along with host our own. In order to be able to travel with the team, you must attend the majority of the practices.
- **Dues:** Team dues are \$25/semester. You do NOT need to pay dues in order to come to practices, but you do need to pay dues if you want to play in tournaments. You will receive a T-shirt with your dues first semester. Dues will help pay for gas, tournament entry fees, hotels and other misc. expenses.
